

## Who we are

**Our mission is to empower, uplift and encourage women and men through sharing and discussing an array of topics on our podcast that will be transitioning to tv. Uncommon Women is a podcast that provides a platform for women and men from all walks of life to share their upbringings, life lessons learned, experiences, and journeys to come. In our podcast, we speak on topics that relate to all women. We share, we listen, we laugh, we cry, and we empower each other to be the best version of themselves.**

## Sponsorship Opportunities

**We are currently seeking sponsorships with businesses that's interested in growing their business by expanding their network to change your net**

worth. Your sponsorship dollars will be used to defray the operating costs of the tv show and ensure that this production is professional and flawless. This includes establishing venues for our events for the community, marketing and advertising, and other costs of producing a benefit to have a successful network on tv. In appreciation of your support, your name and or business will benefit from valuable and effective marketing, including radio, social media, television and any events we host.
